The screenshot shows the Google Play Store interface for the YouTube Music app. The top navigation bar includes the Google Play logo, a search bar, and a magnifying glass icon. Below the navigation is a green header bar with the text "Apps". The main content area displays the app's title, developer, rating, age rating, and a "Contains Ads" note. A red circular play button icon is prominently displayed. Below this are four screenshots illustrating the app's features: official albums and singles, recommendations based on taste and location, live performances, and a video hotlist. A large green "Install" button is located on the right side of the main content area. To the left of the main content, there is a sidebar with links for "My apps", "Shop", "Games", "Family", "Editors' Choice", "Account", "Payment methods", "My subscriptions", "Redeem", "Buy gift card", "My wishlist", "My Play activity", and "Parent Guide".

Keep up with what's trending

YouTube Music is a new music app that allows you to easily find what you're looking for and discover new music. Get playlists and recommendations served to you based on your context, tastes, and what's trending around you.

A new music streaming service from YouTube

- This is a completely reimagined music service with official releases from your favorite artists.

Find the music you want

- Easily find the albums, singles, live performances, covers, and remixes you're looking for.
- Don't know a song's name? Just search for the lyrics or describe it.

Discover new music

- Get music recommendations based on taste, location, and time of day.
- Use "The Hotlist" to keep up with what's trending.

Uninterrupted listening with Music Premium

- Listen ad-free
- Don't worry about your music stopping when you lock your screen or use other apps.
- Download your favorites or let us do it for you by enabling Offline Mixtape.

Get one free month of Music Premium to listen ad-free, offline, and with your screen locked, then pay just \$9.99 a month. Existing YouTube Red or Google Play Music members and users of either service who have already received a 30 day trial are not eligible. Monthly charges auto-renew for Music Premium membership outside of trial periods.

Good, just needs 1 fix. The app plays music that I never would have searched for and that I love. That's awesome. Much better in this regard than Amazon Music. But, this app doesn't allow me to continue listening to music while using other apps on my phone. I suspect YouTube does this so it doesn't ...

I personally really like it. The random song feature is great because it picks out songs based on your most recent song search and it's a great chance to learn about new songs. It's a better Spotify, but only if you can afford Premium. And the only reason I say this is because you have to pay Premium...

Works as advertised. I'm using a cheap (Tetra) Android phone with limited data plan. I use the app at night to download my playlists on WiFi then I can listen to them all day on Bluetooth without killing my phone's battery. App has frozen at startup 4 times in 3 months. I closed it and restarted the ...
